Update

A green scroll graphic with a white background and a blue 'THANK YOU' message. The scroll is oriented vertically, with the text centered horizontally. The scroll has a green outline and a white fill. The top and bottom edges are rounded. There are two grey circular elements on the left side, one at the top and one at the bottom, which appear to be part of the scroll's binding or a decorative element. The text 'THANK YOU' is written in a bold, blue, sans-serif font.

THANK YOU
